Highness the Maharaja of Mysore,

Sir,

I have the honour to submit herewith copies of the resolutions Nos 12 and 26 of the Municipal Council dated 5th July 1924 approving the entertainment permanently of the marginally noted conservancy gangs for clearing silt from the main drain and cleaning urinals in the city and to state that the sanction of Government ought to have been sought for at that time for the permanent entertainment of the same, but it appears to have been lost sight of

* 4 carts at Rs 25 each per mensem, 3 coolies at Rs 11 each per mensem

6 Urinal cleaners at Rs 11/- each per mensem

In this connection, I beg to add the additional staff is found to be absolutely necessary as the existing permanent conservancy staff is already overworked and no can be told off to do this special work of cleaning drains and urinals from the normal staff I therefore request that you will be so good as to obtain early sanction of Government for the resolution of the Municipal Council Due provision has been made in the current years budget under "E 2 Conservancy and Sanitation Temporary establishment for meeting the salary of the 6 urinal cleaners and under "E 2 Conservancy and Sanitation C Hire of carts, temporary a sum of Rs 1200 is provided for entertaining 4 carts

provision for the three funds sanctioned along with the carts will be found by re-appropriation in the revised budget to be prepared for the current year
